Come gain a better understanding of whether or not your business could qualify for national Women's Business Enterprise (WBE) certification. Learn the overall benefits of WBE certification and how the WBE certification process works at the WBDC.

Ideal participants must be part of a business that at least 51% owned, actively managed and controlled by a woman or women. In addition, participants should be interested in acquiring corporate contracts.

*If you are already certified as a WBE through WBENC, you do not need to attend this workshop.*

Although not a guarantee of business, the WBE Certification has been proven to provide a competitive edge in obtaining corporate contracts. National in scope and issued by a third-party agency Women's Business Enterprise National Council (WBENC), the WBE Certification is recognized by over a thousand major corporations and government agencies in the U.S.
